

1.1 m Calf Platform

**Rugged, light,
accurate and safe.**

ENSURE YOUR CALVES' SAFETY WHILE WEIGHING.

The innovative calf weighing platform from Tru-Test combines the rugged strength of a rigid, one-piece platform with the benefit of a complete weld free construction for durability. The design also incorporates a unique non slip surface for safety and surface holes for easy cleaning.

- ✓ **Transportable.** Lightweight aluminium design for easy transport. Side handle for convenient carrying and storage.
- ✓ **Rugged.** Weld free folded design with minimal flex for increased accuracy.
- ✓ **Safe.** Unique non-slip surface to ensure animal safety and comfort. Angled sides to keep animals centered.
- ✓ **Easy cleaning.** Platform surface holes prevent manure build up and allow for easy cleaning.
- ✓ **Flexible.** Designed to fit Tru-Test MP600 load bars.
