DATAMARS

SRS2

EID Stick Reader

EID scanning made easy.

Quickly and easily read, record and transfer EID tag information.

Keep track of individual animals with the easy-to-use, ergonomically designed SRS2 EID Stick Reader.

Suitable for cattle, sheep and deer, the SRS2 features a large, highly readable screen to display the session count, EIDs and pre-loaded VID numbers.

Bluetooth® wireless technology connects with your weigh scale and means you can easily send session information to NAIT and NLIS via the Data Link smartphone app.

✓ **Large sunlight viewable 2.7" colour LCD screen makes it easy to read.**

✓ **Fast tag reads with feedback through vibrating handle.**

✓ **Quick access keys for simple navigation.**

✓ **Wirelessly connect with your weigh scale using Bluetooth® wireless technology.**

✓ **Practical and safe to use with long reach.**

✓ **Rugged and ergonomic design.**

✓ **Easily download recorded information using your Windows* computer or Apple iOS*/ Android* smartphone.**
